

Emergency Notification Station ENSv1

The ENS is an ideal security solution for remote and high-risk areas. This vandal-resistant tower serves as a great deterrent to crime. An always-lit LED Blue Light mounted atop the tower provides high visibility and gives passers-by a sense of security. Emergency calls can be placed with a simple push of a button. At the same time, the LED Blue Light begins to flash, attracting attention to the location. Optional Surveillance Camera enhancements are available.

Equipment Specifications

- 4G LTE with VoLTE HD Voice Calling
- Vandal Proof Rugged Steel Construction
- No-Touch Options
- Programmable Speed Dialing
- Remote Programming and Configuration
- Non-volatile memory
- Blue light LED
- IP65 Rated Enclosure
- Solar Power with Lithium Ion Battery Storage

- CE, FCC, RoHS, ISO9001
- 12 x 10 x 127" (WxDxH)
- 355 LBS
- 0.125 Rolled Steel Construction
- Graffiti Resistant Coating
- Bright LED Lighting
- 9 Watts, 12 VDC
- 5YR Warranty (Tower)
- 2YR Warranty (Electronics)
