Not available in all areas; addresses ineligible for unlimited 5G Business Internet may be eligible for 4G LTE in select areas or other Business Internet options nationwide. Plus taxes & fees for accounts currently paying for a T-Mobile wireless line with additional taxes & fees: Monthly Regulatory Programs (RPF) & Telco Recovery Fee (TRF) totaling \$1.40 per data only line (\$0.12 for RPF & \$1.28 for TRF) apply; taxes/fees approx. 3-12% of bill. AutoPay Pricing for lines 1-8 on account. Without AutoPay, \$5 more. May not be reflected on 1st bill. **Business Internet General Terms:** Business Internet customers may notice speeds lower than other customers due to data prioritization. For use only at location provided at activation. When included, return T-Mobile Gateway or pay up to \$750. Credit approval required. Video streaming resolution depends on available speeds. For best performance, leave video streaming applications at their default resolution setting. Not compatible with some live TV streaming services. **Security and productivity filtering** blocks select content. See Sales Rep or T-Mobile.com/filtering for content filtering options and details. **Tablet Plan General Terms:** During congestion, customers on tablet plans using >50GB/mo. may notice reduced speeds until next bill cycle due to data prioritization. Video typically streams on tablet in SD quality. High-speed tethering up to allotment and then unlimited on our network at max 3G speeds. Roaming: U.S. roaming and on-network data allotments differ; includes 200 MB roaming. Partial megabytes rounded up. Service may be terminated or restricted for excessive roaming. International Roaming: Max 256Kbps speeds in 210+ countries and destinations; see www.t-mobile.com for included destinations (subject to change at our discretion). In Canada/Mexico, high-speed data up to lower of plan allotment or 5GB, then unlimited at max 128Kbps speeds. Not for extended international use; you must reside in the U.S. and primary usage must occur on our U.S. network. Device must register on our network before international use. Coverage not available in some areas; we are not responsible for our partners' networks. Communications with premium-rate numbers not included. Video streaming at up to 2.5Mbps; may affect speed of video downloads. For best performance, leave video streaming applications at default automatic resolution setting. Tethering: High-speed data to allotment, then max 128Kbps speeds. Majority of data usage must be on device. Device usage prioritized over tethering usage, which may result in higher speeds for data used on device. See T-Mobile.com/OpenInternet for data management details.
