

Connected Laptops

With T-Mobile, employees have reliable coverage, fast speed, and a highly-secure connection to stay productive. Connected Laptops paired with the nationwide T-Mobile network can help mobile workers do their jobs when and where business happens.

Connectivity solutions for the way you work.

Hybrid and mobile workforces require flexible, connected tools to drive business forward. With Connected Laptops from T-Mobile for Business, your employees can depend on fast, reliable connectivity when and where they need it most.

Coverage when and where it counts

Maintain connectivity nearly anywhere with America's largest and fastest 5G network. Road warriors, business travelers, and field workers can connect seamlessly and collaborate on their terms.

Enhanced security and reliability

Feel confident working virtually anywhere without the reliance on public Wi-Fi networks and remain protected against unpredictable security and privacy risks.

Maximized productivity

Take advantage of the ubiquitous connectivity nearly anywhere you go with Connected Laptops that help keep your employees collaborative, available, and efficient.

Affordable Connected Laptop plans

Key features keep employees connected and productive when and where work happens.

Features	\$25/month per line Plus taxes and fees.	\$40/month per line Plus taxes and fees.
 5G Unlimited 5G and 4G LTE data on our network.	✓	✓
 Premium data allowances with speeds to maximize productivity.	75GB	125GB
 Productivity filter to help optimize business performance.	✓	✓
 Domestic roaming allowance for expanded coverage in the U.S.	200MB	200MB
 Simple Global support to keep you connected in 215+ countries.	5GB of high-speed data, then 256kbps	5GB of high-speed data, then 256kbps

During congestion, customers on this plan may notice speeds lower than other customers due to data prioritization. Qualifying business account, credit approval, deposit, and \$20 SIM starter kit or, in stores, \$35 device connection charge may be required. Taxes and fees additional (including \$0.12/line Monthly Regulatory Programs and \$1.28/line Telco Recovery Fee) unless you already have a tax-inclusive voice line. Compatible device may be required for certain features. **Data:** High-speed data on our network up to allotment then max 600Kbps speeds. We notify you of approaching use thresholds via email. See account for usage. **Roaming:** U.S. roaming and on-network data allotments differ; includes 200 MB domestic roaming. Partial megabytes rounded up. **International Roaming:** Up to 5GB high-speed data in select Central European countries; otherwise standard speeds approx. 256 Kbps in 210+ countries and destinations; see www.t-mobile.com for included destinations (subject to change at our discretion). In Canada/Mexico, high-speed data up to 5GB, then unlimited at max 128Kbps speeds. **Not for extended international use; you must reside in the U.S. and primary usage must occur on our U.S. network.** Device must register on our network before international use. Coverage not available in some areas; we are not responsible for our partners' networks. Service may be terminated or restricted for excessive roaming. **Video streaming** at up to 2.5Mbps (SD); may affect speed of video downloads. For best performance, leave video streaming applications at default automatic resolution setting. Security and productivity filtering blocks select content. See Sales Rep or T-Mobile.com/filtering for content filtering options and details. **5G:** Capable device required; coverage not available in some areas. Some uses may require certain plan or feature; see T-Mobile.com. **Fastest:** Based on median, overall combined 5G speeds according to analysis by Ookla® of Speedtest Intelligence® data 5G download speeds for Q4 2022.
