HAWK

## HAWK C401B 4G SECURITY CAMERA

Keep an eye on what matters—without the wires, hassle, or hefty price tag. The Hawk is a solar-powered, battery-backed security camera built for businesses that need reliable, 24/7 surveillance anywhere. No outlets, no complicated installs—just simple, affordable security that works wherever you need it.

SOLAR PANEL

INTERNAL BATTERY

CAMERA

### SUN-POWERED SECURITY.

Outdoor security shouldn't depend on power outlets. With its 8W solar panel, Hawk stays charged in any environment where the sun shines.

No picture, but trust us.  
It's a battery.  
& it's a good one.

### POWER THAT LASTS.

With an 8000mAh built-in battery, Hawk stays powered long after the sun sets. Reliable, rechargeable, and always ready—because security shouldn't take a day off.

### EYES LIKE A HAWK.

With night vision, human detection, and ultra-efficient 64kbps streaming, this solar-powered security camera keeps watch, like a... you know.

HARDWARE		STORAGE	
CPU	T31ZL	External TF card	Support up to 256GB
4G Modem	EG95	POWER	
Memory / Storage	DDR 512 Mb, Flash 16 MB	Power Supply	Solar powered
Image Sensor	SP2339, 200W,1/2.9 CMOS	Power Input	5V / 2.5A
Lens	Standard lens diameter 14mm	ENVIRONMENT	
Minimum Illumination	0.8Lux/F1.4(color mode), 0.3Lux/F1.4(B&W mode)	Operating Temperature	-10~ 60°C (14 ~ 140°F)
Pan & Tilt	Pan 305°, tilt 100°	Operating Humidity	< 90%, non-condensing
Viewing Angle	D100° diagonal	SOFTWARE FEATURES	
Alarm Detection	PIR human motion	Linux	
Audio Input	Built-in-38dB microphone	Supports 4 visitors at the same time	
Audio Output	Built-in 8Ω1W speaker	App: O-KAM Pro	
Battery	8000mAh	Cloud storage support	
Exterior Material	ABS Plastic + PC	PACKAGE LIST	
Dimension / Weight	6.76x4.09x7.36in / 3.36lbs	What's in the box?	1 x Hawk Camera
NETWORK			1 x Solar Panel
4G CAT4	American version		1 x User Manual
LTE-FDD	B2/B4/B5/B12/B13/B25/B26		2 x Mounting Hardware Kit
WCDMA	B2/B4/B5		1 x Wall Mount for Solar Panel
VIDEO			
Video Capture Resolution	2K		
Night Vision	Black and white night vision, full color night vision		
Compression Standard	H.264 / MJPEF/JPEG		
AUDIO			
Sampling Frequency / Bit Width	16KHz/16bit		
Compression Standard / Bit Rate	G711A
