COMPARISON CHART

INSEEGO FG2000

INSEEGO FX3110

INSEEGO FW3000

KATALYST SPARK

Peak Download Speed / Throughput

Up to "gigabit-class" fixed wireless

Supports 5G Sub-6 + LTE Cat 19; Wi-Fi 6; up to 64 wireless clients.

Up to ~5 Gbps download (for outdoor CPE) in some materials.

Up to ~2.4 Gbps Wi-Fi (574 Mbps on 2.4 GHz + 2402 Mbps on 5 GHz) for Wi-Fi portion. C5G Store+2Verizon Open Development+2

Wi-Fi Standard & Client Support

Wi-Fi 6 (dual-band; 4x4 MIMO) supporting up to ~128 wireless connections.

Wi-Fi 6 (dual-band) supporting up to ~64 connections

Outdoor CPE – Wi-Fi may not be the primary focus (since it's more an outdoor fixed CPE). Antenna/point-to-network oriented.

Dual-band Wi-Fi 6 (802.11 ax) + up to ~200 devices

Network Technology (5G / LTE)

5G sub-6 GHz + LTE Cat 22 (or similar) with 4x4 MIMO & high performance RF/antenna design.

5G Sub-6 + LTE Cat 19; dual SIM; 2x LAN/WAN; 1x USB-C.

5G Sub-6 + LTE Cat 20 (or similar) designed for outdoor CPE; multi-antenna; IP67 rating in some documentation.

Cat 19 5G/4G LTE – up to 6 Gbps claimed in some marketing.

SIM / Redundancy / Outdoor Us

Indoor router, multiple LAN ports, enterprise grade; no specific outdoor rating in core spec (for FG2000 indoor version) but high-end fixed indoor.

Indoor router, dual SIM, compact form factor, external antenna ports.

Outdoor CPE: built for outdoor installations with rugged/antenna design, ideal for fixed wireless outside. Inseego

Supports dual-SIM failover (some sources list 2 SIM slots) and battery for mobility in some versions.

Ideal "Max Wireless Clients"

Up to ~128 wireless clients.

Up to ~64 clients.

Not primarily marketed by number of WiFi clients (focus is outdoor link)

Up to ~200 devices.

Key Differentiators

Enterprise indoor fixed wireless, high performance RF, many clients, multiple LAN ports

Compact indoor FWA router with dual SIM, moderate device support, indoor deployment

Outdoor fixed wireless CPE with rugged design, high throughput, outdoor

High device density support + mobility / battery backup / dual SIM
